POWER COST ADJUSTMENT:

The above rates shall be increased or decreased in accordance with Schedule PCA as it currently exists or may be amended from time to time.

PROPERTY TAX ADJUSTMENT:

The above rates shall be increased or decreased in accordance with Schedule PTA as it currently exists or may be amended from time to time.

DETERMINATION OF BILLING DEMAND:

The billing demand shall be the highest demand measured in the prior calendar month, during the peak period, which shall be between 3:00 p.m. and 9:00 p.m. Additionally, during the billing months of October through July, the billing demand shall not be less than 70% of the highest demand established during the preceding calendar months of July and August.

MINIMUM CHARGE:

The minimum demand and energy monthly charge shall be the highest of the following:

1. \$2.00 per installed kVA of transformer capacity; or
2. The minimum monthly charge specified in the service contract.

CONDITIONS OF SERVICE:

1. Service under this schedule is limited to a transformer size of not more than 75 kVA. Service is accepted under this schedule for a period of not less than one year unless consumer's transformer size changes, thereby requiring reclassification to another schedule.
2. Unless otherwise determined by the Cooperative, Consumers having their homes on the same premises with their business establishments may receive service for both the home and the business through the same meter and be billed under this schedule; or if the Consumer prefers he may make provisions for two meters, in which case the home will be billed under the applicable residential schedule and usage for other purposes will be billed under this or other applicable schedule.

TERMS OF PAYMENT:

The above rates and minimum are net, the gross rates being five (5%) percent higher. In the event the current monthly bill is not paid twenty (20) days after date of bill, gross rates shall apply.
